

I listen to K-LOVE daily to and from work. It lifts me up and helps me have a good attitude at work and with people all day. It helps me remember God loves me. I enjoy the fact that I can listen to the same program and same DJs where ever I travel in the U.S. I love the fact that I hear only Christian music and information, and I don't have to listen to time-wasting, irritating commercials, or music that offends me and my beliefs. If K-LOVE were to be displaced by another broadcaster providing other programming, I would be very disappointed and distraught. I have come to rely on K-LOVE for uplifting, contemporary Christian music and Christian information to help keep me tuned in to what God wants me to hear and think about. Other Christian programming comes nowhere near measuring up to K-LOVE. My community is well served by K-LOVE, and I do not want to lose it!
